E - NEWS LETTER

Experience Sharing & Learning Meeting

Half yearly experience sharing cum learning meeting of Community Health Project was held on 1st and 2nd May 2018 at CHAI central office, Secunderabad. Entire project team was part of the reflection process. Meeting had broad discussion on achievements and challenges met during the implementation of the project in the past six months. On the occasion Mr Balendra Singh Kaurav RPO, shared about the experiences of implementation at MP and Chattisgarh.

Orientation to Ujjain MIs on Government Schemes

Regional Program Officer, MPSSS did monitoring visit to Ujjain district on 21st & 22nd May 2018. The centres visited were Pushpa Mission Hospital, Nirmala Hospital and Jayrani Mission Hospital and Kripa welfare social Service Society, Ujjain. Respected Directors and administrators interacted on collaboration with the Government under NGO Public Private Partnership mode. Objectives of the visit were to give the orientation on the existing possible Govt. Schemes which can be implemented in Hospitals and health centers. Discussion was also held on different schemes available in the Government Departments like HIV testing scheme under the State AIDS control society, ACSM scheme under the RNTCP etc.

Listening from the experienced adds qualification

As part of routine refining and skills updating, Fr. Kiran, Director MPSSS visited Mitraniketana, Kerala on 27th May. Mitraniketana is a non-profit entity in Trivandram, Kerala. The core competency of the organization is the wholistic development of the community. During the interaction with Dr Raghuram Das, Principal peoples collage, came to know that Mitraniketana's work in supporting community development and individual empowerment is a model to other NGOs around the world. Director MPSSS share about its various works taking place in MP region. Knowing about the MPSSS initiatives on people led development process which is similar to Mitraniketana; expressed an interest for collaboration with the MPSSS.

Closed Dispensaries have seen a ray of Hope.

One day visit was done by Regional Health Coordinator, MPSSS on 28th May 2018 at Sehore district. Prabhat Tara dispensary, Sohankheda Ichhawar & Karunalya dispensary, Nadan Ichhawar Sehore were part of visit. Discussion was held on functioning of the dispensaries. During the discussion it emerged that due to deficiency in legal compliances the centre is not functioning. The patients are always referred to PHC at Bilkisganj and CHC - Ichhawar at a distant of 30 km from Sohankheda,. Discussion was also held on regularising the dispensaries and options for better health care.

Meeting with planning commission, Bhopal

Director MPSSS and Regional Program Officer had a initial round discussion with the Principal Advisor, Planning Commission, Bhopal and his team on 30th May 2018. The commission was happy to see the number of development works which are taking place in the state of MP. Better coordination and collaboration is expected in the coming times.
